### ANNOUNCEMENT

It is with pride that we are offering to the public on November 1, the best lot of cattle we have ever sold in our annual sale. We believe this offering will be the best to be sold in the middle west for some time to come. With the exception of Villager's Gloster and two heifers, our entire show herd is included, and in addition we are selling some of our best brood cows. In looking over the breeding in this catalog you will find the most noted pedigrees known to the Shorthorn breed. The females are sired by Gloster Goods, Victor Sultan, Supreme Coronet, Villager's Stamp, and other great sires. Gloster Goods has been the best sire we ever used, being the sire of our show herd in 1921-22. He has done as much for the Shorthorn breed in this state as any other bull of his time. His females have proved themselves good producing matrons, and his bulls have given good account of themselves wherever they have gone.

The females are bred to Villager's Gloster and Supreme Coronet. Villager's Gloster has gone through many show rings almost without defeat, only being beat once in class. Last year he headed the undefeated young herd and this year he headed the undefeated aged herd. The first two calves by him were at the top of their class at Des Moines, Lincoln, Huron, and Sioux City. Many of the cows in this sale are bred to him.

Supreme Coronet, one of Sultan Supreme's greatest breeding sons is making fame for himself as a sire. In the younger classes at the last Nebraska State fair his sons and daughters were right at the top all the time, including the Junior Champion heifers. There will be five cows with good calves at foot by him, and rebred to him.

In the bull offering is included five bulls by Supreme Coronet that are as good as any five bulls by one sire offered at public sale. If in need of a herd bull be sure to be on hand sale day. Besides these bulls we are selling two bulls by Gloster Goods and five by Villager's Stamp that are outstanding; good enough to go anywhere. We consider six or eight of these bulls good enough for the South American trade. The best lot of bulls we ever sold.

The South Omaha market was topped on three different occasions, this season, on full carloads of beef cattle that were sired by bulls we bred.

F. W. RETZLAFF & SONS. GEO. W. RETZLAFF & SON.

He is richly bred in the blood of champions, being a half-brother to the many times Grand Champion, Lady Supreme, and Village Supreme. Both have won this honor at the International. He is also a half brother to Supreme Choice the sire of Supremacy, the Grand Champion female of this year.

And from the second crop of his calves the first prize Senior Yearling, Junior Yearling, Junior Champion female, Second Prize Get of Sire, Second Prize Senior and Junior bull calves, Third Prize calf herd, Third Prize two bulls bred by exhibitor, and Fifth Prize three bulls bred by exhibitor, at Lincoln in 1922, were all sired by Supreme Coronet.

It is needless to go into detail in regard to the breeding of Villager's Gloster, as no better pedigree could be written. As to his individuality his winning in some of America's greatest shows speaks very well. He was shown as a Junior calf in 1920, winning First at Des Moines, headed second prize calf herd, head of third prize young herd, and was included in third prize get of sire. At the American Royal he stood second, headed third prize calf and was included in third prize get of sire. At the International, Chicago, he stood fifth in a class of sixty head, headed second prize calf herd.  Villager's Gloster and Parkview Augusta, a half sister that was Junior Champion of the show, stood second as best bull and female.  In 1921 he was only shown at the Nebraska State Fair, winning first as Junior Yearling class, Junior and Grand Champion bull; also headed the first prize young herd, defeating the Junior Champion bull of Missouri, Illinois and Iowa state fairs. The young herd headed by him also defeated the winning young herd at the different shows mentioned.  As to the ability as a sire his first calves are as promising as any we ever had on the farm. We feel confident that he will be one of the best breeding bulls of the breed.
